UMD FIRST ROBOTICS COMPETITION SCHOLARSHIP

SCHOLARSHIP DESCRIPTION & ELIGIBILITY

In support of the FIRST Robotics mission, the University of Minnesota Duluth (UMD) is offering a minimum of two non-renewable scholarships of $2,000 for the 2018-2019 academic year to high school seniors who:

- Have participated on a First Robotics Competition (FRC) team during their high school career
- Have a high school record of academic excellence. Student’s high school curriculum, cumulative GPA, and ACT/SAT exam score(s) will be considered
- Intend to enroll in the Swenson College of Science and Engineering (SCSE). You do not need to have been admitted at the time of application for this scholarship.

The UMD Office of Admissions in consultation with the Dean’s office in the Swenson College of Science and Engineering will review applications beginning March 15, 2018. Scholarships will be awarded on a rolling basis after this date and students are encouraged to apply early.

For more information, please contact the UMD Office of Admissions at (218) 726-7171 or umdadmis@d.umn.edu

SUBMISSION CRITERIA

Students who wish to be considered for this scholarship must:

- Apply to UMD with a major in the Swenson College of Science and Engineering for Fall 2018 enrollment as a full-time undergraduate student
- Submit a letter of recommendation from your FRC program coordinator or mentor
- Complete the scholarship application on the next page, submitted and accompanied by a letter of recommendation from your FRC program coordinator or mentor, by March 15, 2018.
