The University of Minnesota Duluth (UMD) is pleased to invite qualified high school seniors to apply for a Swenson Family Foundation Scholarship. UMD awards these scholarships (of approximately $14,000 for 2017-2018) to students who:

- Have been admitted to UMD for Fall 2017
- Have a high school record of academic excellence
- Intend to complete a degree in Chemistry, Biochemistry, or Biology at UMD
- Are eligible for Minnesota resident tuition and are U.S. citizens
- Demonstrate financial need

Swenson Family Foundation Scholarships can be renewed annually for up to four years contingent upon maintaining a 3.00 cumulative University of Minnesota (U of M) GPA and making continual progress in completing a Chemistry, Biochemistry, or Biology degree at UMD.

The UMD Swenson Family Foundation Scholarship selection committee will review applications beginning March 15, 2017. Scholarship awards will be made on a rolling basis after this date and students are encouraged to apply early.

For more information, please contact the UMD Office of Admissions at (218) 726-7171 or umdadmis@d.umn.edu

Students who wish to be considered for this scholarship must:

- Apply to UMD for Fall 2017 enrollment as a full-time undergraduate student
- Complete the application form on the following page
- Obtain two letters of recommendation: one from either your biology or chemistry teacher, and one from your high school counselor, a second teacher, or your high school principal
- Complete and submit the Free Application for Federal Student Aid (FAFSA)

The Swenson College of Science and Engineering is committed to providing an excellent education for future professionals, and the discovery of knowledge through research. Undergraduate research is a priority for the College. The departments of Chemistry, Biochemistry, and Biology are among those with the most active undergraduate research programs at UMD.
