WHAT IS THE SUMMER SENIOR PROGRAM?

For 41 years, the University of Minnesota Duluth (UMD) has provided low cost housing by opening their campus apartments for active seniors. The campus is tucked into the heart of Duluth, overlooking Lake Superior, just minutes away from world-class recreational and cultural activities. Your stay will give you easy access to great amenities like the Fitness and Recreation Center, walking trails, a top-notch campus library, and the Tweed Art Museum. Your Summer name tag (which you receive upon arrival) allows you access to use those facilities.

In addition to the perks of on-campus living, we also host a variety of events for you to participate in. Each year, we offer the Environmental Series which takes you to nearby nature points of interest. If you enjoy yoga or other fitness classes, those are free for you to participate in as well. In addition, we host a Lifelong Learning Program that boasts exciting and new topics, a Technology class, and a weekly newsletter released on Fridays encapsulating these and other events in the area. Summer Residents also join together to form groups around favorite activities, such as golfing and hiking. You are able to participate in group activities as much or as little as you prefer. UMD college students are employed to coordinate program activities, work at the Housing Information Desk, and in custodial/maintenance positions. All student employees are supervised by full-time professional staff.

New and returning residents are encouraged to sign up for our Ambassador Program that matches new residents with a returning resident (the Ambassador). You will receive a form, along with your room assignment, which will allow you to sign up for this program. Once paired, the Ambassador will receive a gift card for on-campus Dining Services to treat their match for coffee, a snack, etc. This is a fantastic opportunity to make a new friend or two if this is your first summer at UMD.
FACILITIES YOU CAN USE ON-CAMPUS

**Fitness & Recreation Center**
Recreational facilities include: tennis courts, jogging track, field house, swimming pool, ice rink, and a gymnasium. The fitness center includes a weight room, cardio machines and a climbing wall.

**Bagley Nature Area**
The Bagley Nature Area boasts 55 forested acres that include a lookout point, walking trails, and pond. It provides the perfect place to read a book from the library on a beautiful summer day in Duluth.

**Dining Services**
A food court, a coffee shop, and even a sit-down restaurant are all located on campus and are open on weekdays. Summer Dining Dollars cards are optional to purchase upon your arrival on-campus, or you may pay with cash or credit card at campus dining outlets.

The cafeteria-style Dining Center **WILL BE CLOSED** for remodeling in 2016.

**Bus Hub**
There is a bus hub for the Duluth Transit Authority (DTA), the city’s public bus service, right on-campus. Bus transportation fees are not included with the program; you may find more information at [http://www.duluthtransit.com](http://www.duluthtransit.com).

THE RESERVATION PROCESS
You must first submit a reservation for the Summer Senior Program. We accept reservation forms by mail or through our online reservation form. We will be running our annual “Early Bird Special” from January 5th to February 5th. If your returned reservation form is postmarked between those dates, you will qualify for $100 off your stay. All reservation forms/advance payments must be received by March 4, 2016 to ensure your place in the program.

An advance payment of $200 will be required, in addition to the reservation request form to hold your apartment. After we receive your reservation/advance payment, you will be sent an apartment assignment letter around mid-March. The remainder of your rent will be due upon your arrival. **If you are requesting to rent a TV during your stay, be sure to add the appropriate amount to your $200 advance payment.

For residents with restricted mobility, limited first floor apartments are available on a first come, first served basis according to the assignment process.

THE ASSIGNMENT PROCESS
After the reservation deadline of March 4th, we will begin assigning apartments in the following order:

1) Those with necessary medical accommodation will be placed into their rooms first. Please request a Medical Accommodations form by emailing umdsumsr@d.umn.edu or by calling 218-726-7390.
2) Returning summer residents staying for ten weeks
3) New summer residents staying for ten weeks
4) Returning summer residents staying for eight weeks
5) New summer residents staying for eight weeks
6) Returning summer residents staying for five weeks
7) New summer residents staying for five weeks
8) Any reservations received after March 4, 2016

**NOTE: We do not assign roommates.** Co-occupants of an apartment must be registered through the leaseholder. The leaseholder is responsible for making the reservation, notifying co-renter of assignment and address, payments, signing the lease, keys, and the condition of the apartment. Co-occupants will share the apartment mailbox.

CHANGE REQUESTS & CANCELLATION POLICY
All cancellations must be submitted in writing to the UMD Housing Office by May 1, 2016. After May 1, 2016, refunds will only be given for a medical cancellation of the leaseholder or co-occupant. All medical reasons must be substantiated in writing by a physician as soon as possible, and submitted with a written cancellation request.

Requests for date changes must be submitted in writing to the UMD Housing Office. These requests must be made 14 days in advance of arrival date to avoid being charged for the dates originally reserved. Any change of dates may invalidate the apartment assignment. No change of dates will be permitted once residents arrive.

WHAT DOES DULUTH HAVE TO OFFER?

Duluth is the third largest city in Minnesota (population 86,000) and is the major metropolitan area for northeastern Minnesota and northwestern Wisconsin. It is situated halfway between the Twin Cities and the Canadian border. Voted Outside magazine’s 2014 “Best Outside Town”, Duluth is in the heart of world-class recreational and cultural activities. A unique inland port city, Duluth is located on Lake Superior. UMD is a great base camp to explore all the area has to offer.

Average high temperatures are 66°F in June, 75°F in July and 74°F in August. The wide expanse of Lake Superior causes a “lake effect” creating cooler summer temperatures and warmer winter temperatures than the surrounding area. It’s truly “cooler by the lake”.

How does one get to Duluth? Well, by air you can utilize the Duluth International Airport, which is located six miles from campus. By land, Duluth is located 160 miles north of the Twin Cities along I 35. Skyline Shuttle runs a shuttle between downtown Duluth and the Twin Cities. A Jefferson Lines bus stop is also located on-campus, in conjunction with the DTA bus stop. Please note that UMD does not provide any transportation to summer program participants, unless noted otherwise. You will need to use your own automobile, a public bus or taxi to get around.

Duluth offers two major medical centers for virtually every medical need. Essentia Health and St. Luke’s Hospital, both located in the downtown area, are available to you. Additionally, surrounding UMD you will find neighborhood shopping areas with grocery stores, a pharmacy, a post office, hair salons, restaurants and public library. There are specialty shopping areas nearby, in the downtown and near the waterfront. An indoor mall and big box retailers are located five miles from campus.

If you enjoy being outside, Duluth has a multitude of parks and hiking areas that will allow you to capture the beauty of the city. Bayfront Park, the Lakewalk, Park Point, and Canal Park are only some of the places you are able to explore. In the Canal Park area, you will be able to see the infamous Aerial Lift Bridge, where millions gather each summer to watch it rise/lower for the large ships that enter our port.

This is only some of what the Duluth area offers to its visitors. If you want to learn more about what the area has to offer, please take a look at www.visithduluth.com.
